

REMARKS

As result of the various objections set forth in the office action, the disclosure, title, specification, claims and abstract have been amended so the British spellings have been changed to US spellings. Claims 1, 5-8, 10, and 15-16 have been canceled to expedite prosecution.

Per the Examiner's indication of claims 2, 3, 9, 11 and 14 as being allowable if written in independent form, Applicant has combined claims 1 and 2 so claim 2 now contains the limitations set forth in claim 1. Claim 4 has been amended so it now depends on claim 2 and is therefore allowable. Claims 5-8 have been canceled and combined with claim 9, which is now in independent form. Claim 10 has been canceled. Claim 11 has been combined with claim 10 and is now in independent form. Claims 12 and 13 have been amended so they now depend on claim 11. Claims and 14 remain dependent on claims 2 and 11, respectively. Claims 15 and 16 have been canceled.

The claims have been amended to correct errors of syntax, to assure that interpretation under 35 USC 112, ¶6 is precluded and to provide infringement of the apparatus claims at the time the goods are sold, prior to being put into use.

Allowance is on order.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
